INFORMATION CIRCULAR

(containing information as at October 27, 2016 unless indicated otherwise)

**For the Annual General & Special Meeting
to be held on Thursday, December 1, 2016**

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the Management of Green Arrow Resources Inc. (the "Company"), for use at the Annual General & Special Meeting (the "Meeting"), of the Shareholders of the Company, to be held on Thursday, the 1st day of December, 2016, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof. The enclosed Instrument of Proxy is solicited by Management of the Company. The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of Proxy are directors and/or officers of the Company. **A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM ON HIS BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED INSTRUMENT OF PROXY. TO EXERCISE THIS RIGHT, A SHAREHOLDER SHALL STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE INSTRUMENT OF PROXY AND INSERT THE NAME OF HIS/HER NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER INSTRUMENT OF PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS DEPOSITED WITH THE COMPANY'S REGISTRAR AND TRANSFER AGENT, COMPUTERSHARE INVESTOR SERVICES INC., 100 UNIVERSITY AVENUE, 9TH FLOOR, TORONTO, ONTARIO, M5J 2Y1, OR BY TOLL FREE FAX AT 1-866-249-7775 NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ADJOURNMENT THEREOF.**

The Instrument of Proxy must be signed and dated by the Shareholder or by his attorney in writing, or, if the Shareholder is a Company, it must either be under its common seal or signed by a duly authorized officer.

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a Company, it must either be under its common seal, or signed by a duly authorized officer and deposited at the Company's Registrar and Transfer Agent, Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chairperson of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed Instrument of Proxy will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the proxy holder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The Instrument of Proxy enclosed, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Information Circular, the Management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the Management should

properly come before the Meeting, the Proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority of greater than one-half of the votes cast will be required (an "Ordinary Resolution") unless the motion requires a Special Resolution, in which case a majority of not less than two thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares ("Common Shares") held by Shareholders of the Company who have an interest in the motion and their "associates", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this information circular as "Beneficial Shareholders") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the Common Shares on how to vote such shares on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("Broadridge"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote Common Shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such Common Shares are voted.**

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a Shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.

This Circular and accompanying form of proxy are being sent to both registered and non-registered owners of the shares of the Company. If you are a non-registered owner and the Company has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send this Circular to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering this Circular to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Company will not pay for an intermediary to deliver proxy related materials and voting instruction forms to objecting beneficial owners (called OBOs for Objecting Beneficial Owners). OBOs have objected to their intermediary disclosing ownership information about themselves to the Company. Accordingly, OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

The Company is not relying on the "notice-and-access" delivery procedures outlined in National Instrument 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

All references to Shareholders in this Circular and the accompanying form of proxy are to registered Shareholders unless specifically stated otherwise.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company’s authorized capital consists of an unlimited number of Common Shares without par value, an unlimited amount of preferred shares (“**Preferred Shares**”) without par value, an unlimited number of Class A common shares (“**Class A Common Shares**”) without par value and an unlimited number of Class B non-voting shares (“**Class B Shares**”) without par value. As at October 27, 2016 (the “**Record Date**”), the Company has 7,440,000 Common Shares issued and outstanding, each share carrying the right to one vote. There are no Preferred Shares, Class A Common Shares or Class B Shares outstanding.

Any Shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered a Proxy in the manner and subject to the provisions described above, shall be entitled to vote or to have such Shareholder’s shares voted at the Meeting or adjournment thereof.

To the best of the knowledge of the directors and senior officers of the Company, the only persons who beneficially own, or control or direct, directly or indirectly, 10% or more of the issued and outstanding Common Shares of the Company, are as follows:

Name	Number of Voting Securities	Percentage
Bedo H. Kalpakian, Delta, BC and Jacob H. Kalpakian Vancouver, BC	1,857,500 ⁽¹⁾	24.97%

(1) Of these shares, 818,500 Common Shares are held by Bedo H. Kalpakian directly, 689,000 Common Shares are held by Jacob H. Kalpakian directly, and 350,000 Common Shares are held by family members of Jacob H. Kalpakian.

N.B.: The above information was supplied by the Registrar and Transfer Agent and the Management of the Company.

STATEMENT OF EXECUTIVE COMPENSATION

In accordance with the provisions of applicable securities legislation, the Company had two “Named Executive Officers” during the financial year ended December 31, 2015, namely Mr. Jacob H. Kalpakian, President, CEO and a director and Mr. Christopher Kape, CFO and a director.

COMPENSATION DISCUSSION AND ANALYSIS

Through its executive compensation practices, the Company seeks to provide value to its Shareholders through a strong executive leadership. Specifically, the Company’s executive compensation structure seeks to attract and retain talented and experienced executives necessary to achieve the Company’s strategic objectives, motivate and reward executives whose knowledge, skills and performance are critical to the Company’s success, and align interests of the Company’s executives and Shareholders by motivating executives to increase Shareholder value.

Compensation provided to the Company’s NEOs is determined and reviewed by the Company’s board of directors (the “**Board of Directors**”). In establishing executive compensation policies, the Board of Directors takes into consideration the recommendations of management.

Compensation for the Company’s NEOs consists of:

- (a) consulting or management fees; and
- (b) long term incentive in the form of incentive stock options.

The specific elements of compensation and compensation levels are based on what is required to attract and retain qualified and experienced executives to assist with the continued success of the Company and are intended to provide executives with appropriate compensation and incentives so as to encourage the further growth and development of the Company.

In determining compensation for the NEOs, the Company relies solely on the experience and knowledge of the Board of Directors in terms of appropriate compensation for executive officers with similar abilities and experience acting for companies at a similar stage of development. Factors taken into account by the Board include an assessment of each NEO’s experience, level of expertise, responsibilities and previous remuneration. Other factors considered included prevailing industry demand for personnel having

comparable skills and performing similar duties, the compensation the individual could reasonably expect to receive from a competitor and the Company's ability to pay.

The Board of Directors has not conducted a formal evaluation of the implications of the risks associated with the Company's compensation policies. Risk management is a consideration of the Board of Directors when implementing its compensation policies and the Board of Directors do not believe that the Company's compensation policies result in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Company.

Option Based Awards

The Company has in effect a stock option plan (the "Stock Option Plan") in order to provide effective incentives to directors, officers, senior management personnel, employees and consultants of the Company and to enable the Company to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Company's Shareholders. The Company has no equity compensation plans other than the Stock Option Plan. The Stock Option Plan is an important part of the Company's long-term incentive strategy for its executive officers, permitting them to participate in any appreciation of the market value of the Common Shares over a stated period of time. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and Shareholder value. The size of stock option grants to officers is dependent on each officer's level of responsibility, authority and importance to the Company and the degree to which such executive officer's long term contribution to the Company will be key to its long-term success. Previous grants of stock options are taken into account when considering new grants.

Use of Financial Instruments

The Company does not have a policy that would prohibit a Named Executive Officer or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director. However, management is not aware of any Named Executive or director purchasing such an instrument.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Re-approval of 10% Rolling Stock Option Plan

At last year's annual general meeting held on October 15, 2015, the Shareholders approved the Company's Stock Option Plan dated September 22, 2014, which is a 10% "rolling" stock option plan. Under the policies of the TSX Venture Exchange (the "TSXV"), a rolling stock option plan must be re-approved on a yearly basis by Shareholders.

Accordingly, Shareholders will be asked to pass an ordinary resolution to re-approve the Stock Option Plan. Some of the key provisions of the Stock Option Plan are as follows:

- (a) the Stock Option Plan reserves a rolling maximum of 10% of the issued Common Shares of the Company at the time of a stock option grant, with vesting provisions to be determined by the Company's Board of Directors;
- (b) the aggregate number of options granted to any one person (and companies controlled by that person) in any 12 month period must not exceed 5% of the Common Shares outstanding at the time of grant (unless the Company has received disinterested Shareholder approval);
- (c) the aggregate number of options granted to any one Consultant in any 12 month period shall not exceed 2% of the issued Common Shares;
- (d) the aggregate number of options granted to all persons retained to provide Investor Relations Activities in any twelve month period shall not exceed 2% of the issued Common Shares;
- (e) options may only be granted to "eligible persons" which includes directors, senior officers and consultants of the Company and employees of companies providing management services to the Company;

- (g) without disinterested Shareholder approval: (i) the number of Common Shares that may be reserved for issuance to the insiders of the Company at the time of grant; or (ii) the aggregate number of options granted to insiders of

the Company as a group within a one year period; may not exceed 10% of the outstanding Common Shares calculated at the time of the grant;

- (h) the minimum exercise price of a stock option cannot be less than the Market Price of the Common Shares, less the maximum discount permitted by the policies of the TSXV;
- (i) disinterested Shareholder approval must be obtained to reduce the exercise price of an option granted to a person who is an insider at the time of amendment;
- (j) options may have a maximum exercise period of ten years if the Company is listed on the TSXV;
- (k) options are non-assignable and non-transferable; and
- (l) the Stock Option Plan contains provisions for adjustment in the number of Common Shares or other property issuable on exercise of a stock option in the event of a share consolidation, split, reclassification or other capital reorganization, or a stock dividend, amalgamation, merger or other relevant corporate transaction, or any other relevant change in or event affecting the Common Shares.

“Consultant”, “Employee”, “Investor Relations Activities” and “Market Price” all have the same definition as in the policies of the TSXV.

The Board of Directors unanimously recommends that Shareholders re-approve the Stock Option Plan by voting in favour of the following resolution:

“Be It Resolved That the Company’s Stock Option Plan dated effective September 22, 2014 be and is hereby ratified, confirmed and approved with such additional provisions and amendments, provided that such are not inconsistent with the policies of the TSX Venture Exchange, as the directors of the Company may deem necessary or advisable”.

It is the intention of the persons named in the enclosed Proxy, in the absence of instructions to the contrary, to vote the Proxy in favour of the resolution re-approving the Stock Option Plan.

A copy of the Stock Option Plan is available for Shareholders to review at the registered office of the Company, 1055 West Georgia Street, Suite 1500, Vancouver, BC V6E 4N7, until the date of the Meeting and will be available at the Meeting itself.

Background to the Debt Settlement

The Company is a party to a management services agreement with 30 Rock pursuant to which 30 Rock provides management services at a monthly rate of \$2,500 plus applicable taxes. The agreement expires on May 1, 2017 and is renewable on a yearly basis. The debt being settled under the debt settlement with 30 Rock represents management fees accrued under the agreement.

The Company was previously party to a management services agreement with JAMCO pursuant to which JAMCO provided management services at a monthly rate of \$2,500 plus applicable taxes. The agreement was terminated on June 30, 2016. The debt being settled under the debt settlement with JAMCO represents management fees accrued under the agreement.

The debt being settled with Jackpot represents the Company’s portion of shared rent, office support services and miscellaneous office expenses for the period April 2015 to September 2016.

Review and Approval Process

The Independent Directors unanimously recommend that Shareholders vote FOR each of the Related Party Debt Settlement Resolution, the JAMCO Debt Settlement Resolution and the Jackpot Debt Settlement Resolution.

The Independent Directors considered a number of factors, including but not limited to the fact that the Debt Settlement will assist in cleaning up the Company's balance sheet and that it is priced at a premium of 100% to the closing market price of the Company's Common Shares on the TSXV of \$0.025 on October 27, 2016.

The Independent Directors also identified and considered a number of potential risk factors in its deliberations, including but not limited to concentration of share ownership in Jacob Kalpakian and Bedo Kalpakian and their associates, dilution to existing Shareholders and that the Debt Settlement may not be completed.

The Independent Directors believe that any possible adverse effects or risks are more than outweighed by the potential benefits of the Debt Settlement.
